## **Real Love**

## Mary J. Blige

We are lovers through and through and though

We made it through the storm

I really want you to realize

I really want to put you on I've been searchin' for someone

To satisfy my every need

Won't you be my inspiration

Be the real love that I needReal love, I'm searchin' for a real love

Someone to set my heart free

Real love, I'm searchin' for a real loveOoh, when I met you I just knew

That you would take my heart and run

Until you told me how you felt for me

You said I'm not the one

So I slowly came to see

All of the things that you were made of

And now I hope my dreams and inspirations

Lead me to want some real loveReal love. I'm searchin' for a real love

Someone to set my heart free

Real love, I'm searchin' for a real love

I got to have a real loveLove so true and oh baby, I thought that your love was true

I thought you were the answer to the questions in my mind

But it seems that I was wrong

If I stay strong maybe I'll find my real loveSo I try my best and pray to God

He'll send me someone real

To caress me and to guide me

Towards a love my heart can feel

Now, I know I can be faithful

I can be your all in all

I'll give you good lovin' through

The summer time, winter, spring and fallReal love, I'm searchin' for a real love

Someone to set my heart free

Real love, I'm searchin' for a real loveReal love, I'm searchin' for a real love

Someone to set my heart free

Real love, I'm searchin' for a real loveYou see I'm searching for a real love and I don't know

where to go

(Real love, I'm searchin' for a real love)

Been around the world and high and low and still I'll never know

(Someone to set my heart free)

How it feels to have a real love 'cause it seems it's not around

(Real love, I'm searchin' for a real love)

Gotta end it in this way because it seems he can't be found

Real love, I'm searchin' for a real love

Someone to set my heart free

Real love, I'm searchin' for a real love Real love, I'm searchin' for a real love Someone to set my heart free Real love, I'm searchin' for a real love, real love
