

# I Warned Myself

Charlie Puth

I warned myself that I shouldn't play with fire  
But I can tell that I'll do it one more time  
Don't trust in myself, no good for my health  
You mess with my heart, now you're the reason why  
Do you remember when you told me  
I don't have to worry?  
He's overseas, out on his tour  
He'll be okay without me  
You said you had nothing to hide  
That you left him long ago  
I shoulda known that was a lie  
I warned myself that I shouldn't play with fire  
But I can tell that I'll do it one more time  
Don't trust in myself, no good for my health  
You mess with my heart, now you're the reason why  
I warned myself that I shouldn't play with fire  
But I can tell that I'll do it one more time  
Don't trust in myself, no good for my health  
You mess with my heart, now you're the reason why  
Do you remember when you said  
Do not tell anybody?  
'Cause if you do I'll be the first  
To put my hands around your thr-  
If you had nothing to hide  
Why is no one supposed to know  
I shoulda known that was a lie  
I warned myself that I shouldn't play with fire  
But I can tell that I'll do it one more time  
Don't trust in myself, no good for my health  
You mess with my heart, now you're the reason why  
I warned myself that I shouldn't play with fire  
But I can tell that I'll do it one more time  
Don't trust in myself, no good for my health  
You mess with my heart, now you're the reason why
