Seek Bromance (Avicii Vocal Edit)

Tim Berg

I've been watching you

You've been hurting too

You give all your love

nothing left to show.

I have been there too

Alone in my despair

Watching life go by

No one whom to share

Boy you got it bad

But I got something good

I will treat you good in every way yeah

You will never feel alone

My touch is such a rush

It oh oh over-flows.

I will give to you the love you seek and more

So what are you waiting for

I will give to you

The love you seek and more I'll get to you the love you seek and more

Your what I'm waiting for you

I will give to you

The love you seek and more

(your all I really need)

I will get to you the love you seek and more

So what are you waiting for

I'll get to you the love you seek and moreBaby here we are standing face to face

Just the two of us locked in your embrace

Now I got it bad but you got something good

Won't you treat me good in every way, yeah

Are you ready

I can feel your passion and your love

Oh oh ohhh it overflows

I'll get to you the love you seek and more

So what are you waiting for

I'll get to you the love you seek and moreI got love you seek

I got love you seek

I got love you seek

I got loveeI'll get to you the love you seek and more

So what are you waiting for

I'll get to you the love you seek and more

(the love you seek, baby, its in me)

The love you seek and more

(your always want baby)

I'll get to you the love you seek and more
