

# Jam

## L.T.D.

Raised in the city  
Survive if you can  
So ya better keep rockin' steady  
You can't wait on a helpin' hand  
Schools gotcha learnin'  
Books in your hand  
Weekends gotcha yearnin'  
To party with the band  
So go on and...  
Jam... Wa wa wa wadow wow  
Jam... Wa wa wa wadow wow  
Jam... Da dat... dat..dat... dat da  
Jam... Wa wa wa wadow wow Living for the weekend  
The boss is on the case  
You gotta find yourself a lady  
Gotta slow down the pace  
Take a look in the disco  
Try to catch if you can  
Well, you better get down to dancin'  
'Cause that lady's got a man  
So go on and...Jam...Wa wa wa wadow wow  
Jam....Wa wa wa wadow wow  
Jam... Da dat... dat... dat... dat da  
Jam...Wa wa wa wadow wow  
Living for the weekend  
The boss is on the case  
You gotta find yourself a lady  
Gotta slow down the pace  
Take a look in the disco  
Try to catch if you can  
Well, you better get down to dancin'  
'Cause that lady's got a man
