

Love Drunk

Boys Like Girls

Top down in the summer sun
The day we met was like a hit-and-run
And I still taste it on my tongue The sky was burning up like fireworks
You made me want you oh so bad it hurt
But girl, in case you haven't heard I used to be love drunk but now I'm hung-over
I'll love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying, say hello to goodbye 'Cause just one sip would make me sick
I used to be love drunk but now I'm hung-over
I'll love you forever but now it's over
Hot sweat & blurry eyes
We're spinning 'round a rollercoaster ride
The world stuck in black & white You drove me crazy every time we touched
Now I'm so broken that I can't get up
Oh girl, you make me such a lush I used to be love drunk but now I'm hung-over
I'll love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying, say hello to goodbye 'Cause just one sip would make me sick
I used to be love drunk but now I'm hung-over
I'll love you forever but now it's over All the time I wasted on you
All the bullshit you put me through
I'm checking into rehab 'cause everything that we had didn't mean a thing to you
I used to be love drunk but now I'm hung-over
I'll love you forever but now I'm sober I used to be love drunk but now I'm hung-over
I'll love you forever, forever is over
We used to kiss all night, now it's just a bar fight
So don't call me crying, say hello to goodbye 'Cause just one sip would make me sick
I used to be love drunk but now I'm hung-over
I'll love you forever but now it's over
...
Now it's over (still taste it on my tongue)
Now it's over
