

# Hawaii on Me

**Chris Janson**

Someday when I die, you're gonna cry  
Hopefully I'll be up on in the sky  
Now don't spend my money on a box and a hole  
That might be my body, but that ain't my soul  
Put your feet in the sand, buy you a Coke  
Raise it on up, crack a good joke  
Dip toes in the water and ashes to sea  
Yeah, when I die to Hawaii on me  
Have the time of your life, go ahead blow it on out  
Have a big party at a big penthouse  
Over looking the beach of Waikiki  
Yeah, when I die go to Hawaii on me  
Put your feet in the sand, buy you a Coke  
Raise it on up, crack a good joke  
Dip toes in the water and ashes to sea  
Yeah, when I die to Hawaii on me  
I made a good living, I lived a good life  
I raised some great kids, and I loved a great wife  
So get on a plane in a first class seat  
When I die go to Hawaii on me  
Put your feet in the sand, buy you a Coke  
Raise it on up, crack a good joke  
Dip toes in the water and ashes to sea  
When I die to Hawaii on me  
Yeah, when I die go to Hawaii on me  
I love you dad
