Only Prettier

Miranda Lambert

Well, I've been saved by the grace of southern charm I got a mouth like a sailor and yours is more like a Hallmark card If you wanna pick a fight, well, I'm gonna have to say good night I don't have to be hateful, I can just say, "Bless your heart"And even though I don't belong with your high life friends Doesn't mean we don't get together and try to make amends It's easier can't you see? Let's agree to just disagree We don't have to like each other but it's sure fun to pretendSo let's shake hands and reach across those party lines You got your friend just like I got mine We might think a little differently But we got a lot in common you will see We're just like you, only prettier Everybody says you gotta know your enemies Even if they only weigh a hundred pounds and stand five foot three If you just smile and behave you can always get your way It's a universal plan that'll get you where you can in all societiesSo let's shake hands and reach across those party lines You got your friend just like I got mine We might think a little differently But we got a lot in common you will see We're just like you, only prettier, hey Let's shake hands and reach across those party lines You got your friend just like I got mine We might think a little differently But we got a lot in common you will see We're just like you, only prettierWell, I'll keep drinkin' and you'll keep gettin' skinnier I'm just like you, only prettier
