Fallin' All in You

Shawn Mendes

[Verse 1]

Sunrise with you on my chest

No blinds in the place where I live

Daybreak open your eyes

'Cause this was only ever meant to be for one night

Still, we're changing our minds here

Be yours, be my dear

So close with you on my lips

Touch noses, feeling your breath

Push your heart and pull away, yeah

Be my summer in a winter day love

I can't see one thing wrong

Between the both of us

Be mine, be mine, yeah

Anytime, anytime

[Pre-Chorus]

Ooh you know I've been alone for quite a while, haven't I

I thought I knew it all

Found love but I was wrong

More times than enough

But since you came along

I'm thinking baby[Chorus]

You are bringing out a different kind of me

There's no safety net that's underneath, I'm free

Falling all in

You fell for men who weren't how they appear

Trapped up on a tightrope now we're here, we're free

Falling all in you

[Verse 2]

Fast forward a couple years, yeah

Grown up in the place that we live

Make love, then we fight

Laugh 'cause it was only meant to be for one night baby

I guess we can't control

What's just not up to us

Be mine, be mine, yeah

Anytime, anytime[Pre-Chorus]

Ooh you know I've been alone for quite a while, haven't I

I thought I knew it all

Found love but I was wrong

More times than enough

But since you came along

I'm thinking baby[Chorus]
You are bringing out a different kind of me
There's no safety net that's underneath, I'm free
Falling all in

You fell for men who weren't how they appear
Trapped up on a tightrope now we're here, we're free
Falling all in you[Bridge]
Every time I see you haby I get lost

Every time I see you baby I get lost
If I'm dreaming, baby, please don't wake me up
Every night I'm with you I fall more in love
Now I'm laying by your side
Everything feels right since you came along

I'm thinking baby [Chorus]

You (Yeah) are bringing out a different kind of me There's no safety net that's underneath, I'm free Falling all in

You fell for men who weren't how they appear (Ooh) Trapped up on a tightrope now we're here, we're free Falling all in
