

With a Little Help From My Friends

The Beatles

What would you think if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key Oh, I get by with a little help from my friends
Umm, I get high with a little help from my friends
Umm, gonna try with a little help from my friends What do I do when my love is away?
Does it worry for you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own? No, I get high with a little help from my friends
Umm, get high with a little help from my friends
Umm, gonna try with a little help from my friends
Do you need anybody?
I need somebody to love
Could it be anybody?
I want somebody to love Would you believe in a love at first sight?
Yes, I'm certain it happens all the time
What do you see when you turn out the light?
I can't tell ya but I know it might Oh, I get high with a little help from my friends
Umm, get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends Do you need anybody?
I just need someone to love
Could it be anybody?
I want somebody to love
Oh, I get high with a little help from my friends
Umm, I'm gonna try with a little help from my friends
Oh, I get high with a little help from my friends
Yes, I get by with a little help from my friends
With a little help from my friends
