

# Knock You Down (feat. Kanye West & Ne-Yo)

Keri Hilson

Heh... not again...  
Oh... this ain't supposed to happen to me...Keep rockin', and keep knockin'  
Whether you Louis Vuitton-ed up or Reebok-in'  
You see the hate, that they're servin' on a platter  
So what we gon' have - dessert or disaster?I never thought I'd... be in love like this  
When I look at you my mind goes on a trip  
And you came in... and knocked me on my face  
Feels like I'm in a race  
But I... already won first place  
I never thought I'd... fall for you as hard as I did  
(As hard as I did, yeah)  
You got me thinkin' about our life, our house and kids (yeah)  
Every morning I look at you and smile  
Cause boy you came around and you knocked me down... knocked me downSometimes love  
comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down)  
Sometimes love comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down)  
I've never thought I  
Would hear myself say (ooh)  
Ya'll go ahead  
I think I'm gonna kick it with my girl today (Kick it with my girl today)  
I used to be commander and chief  
Of my pimp ship flyin' high (flyin' high)  
'Til I met this pretty little missile who shot me out the sky (oh shot me out the sky)(Hey) 'til  
now I'm crashing, I don't know how it happened  
But I know it feels so damn good  
Said if I could go back, and make it happen faster  
Don't you know I would baby if I could  
Miss independent (oh, to the fullest), the load never to much, she helping me pull it  
She shot the bullet that ended that life  
I swear to you the pimp in me just died tonightSometimes love comes around  
(Love comes around)  
And it knocks you down

Just get back up  
When it knocks you down  
(Knocks you down)  
Sometimes love comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down) Tell me now can you make it past your caspers  
So we can finally fly off into NASA  
You was always the cheerleader of my dreams  
To seem to only date the head of football teams  
And I was the class clown that, always kept you laughin'  
We, were never meant to be baby we just happened  
So please, don't mess up the trick... hey young world I'm the new slick rick  
They say I move too quick, but we can't let the moment pass us  
Let the hourglass pass right into ashes  
Let the wind blow the ash right before my glasses  
So I wrote this love letter right before my classes  
How could a goddess have asked someone that's only average  
For advice  
O.M.G, you listen to that, bitch?  
Woe is me  
Baby this is tragic  
Cause we had it, we was magic I was flyin', now I'm crashin'  
This is bad, real bad, Michael Jackson  
Now I'm mad, real mad, Joe Jackson  
You should leave your boyfriend now, I'm a ask him So I gotta put the good with the bad, happy  
and the sad  
So I'll bring a better future than I had in the past  
Oh Cause, I don't wanna make the same mistakes I did  
I don't wanna fall back on my face again  
Whoa, whoa  
I'll admit it, I I was scared to answer loves call  
Whoa, whoa  
And if it hits better make it worth the fall (When it comes around) Sometimes love comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down)  
Sometimes love comes around  
(Love comes around)  
And it knocks you down  
Just get back up  
When it knocks you down  
(Knocks you down) Won't see it coming when it happens  
But when it happens you're gonna feel it, let me tell you now  
You see when love come and knocks you down (oh) Won't see it coming when it happens

But when it happens you're gonna feel it, let me tell you now  
You see when love comes and knocks you down (yeah)
