Work Song

Hozier

Boys workin on empty
Is that the kinda way to face the burning heat?
I just think about my baby
I'm so full of love I could barely eat
There's nothing sweeter than my baby
I never want once from the cherry tree
Cause my baby's sweet as can be

She give me toothaches just from kissin meWhen, my, time comes around

Lay me gently in the cold dark earth No grave can hold my body down I'll crawl home to her

That's when my baby found me I was three days on a drunken sin

I woke with her walls around me

Nothin in her room but an empty crib

And I was burnin up a fever I didn't care much how long I lived

But I swear I thought I dreamed her

She never asked me once about the wrong I didWhen, my, time comes around

Lay me gently in the cold dark earth No grave can hold my body down

I'll crawl home to herWhen, my, time comes around

Lay me gently in the cold dark earth No grave can hold my body down

I'll crawl home to her

My baby never fret none

About what my hands and my body done

If the Lord don't forgive me

I'd still have my baby and my babe would have me

When I was kissing on my baby

And she put her love down soft and sweet

In the low lamp light I was free

Heaven and hell were words to meWhen, my, time comes around

Lay me gently in the cold dark earth

No grave can hold my body down

I'll crawl home to her

When, my, time comes around

Lay me gently in the cold dark earth

No grave can hold my body down

I'll crawl home to her
