

He'll Make A Way

Sam Cooke & The Soul Stirrers

I know the Lord will make a way for me
I know that my lord will from trouble, someday set me free
That's why I never will give up the fight
But I trust in Him to do whatever is right For, oh, the Lord
He told me He would always make a way
Make a way, He'll make a way For I am trusting in Your word
And my weakness make me strong
But I never will go wrong No, if you leave me I'll be home
Someday, the Lord will make a way, I know You will Whenever I'm in trouble, for I'm still
trusting in your word
And my weakness makes me strong
But I never will go wrong
No, if you leave me I'll be home
Someday, the Lord will make a way, I know you will
He'll make a way for me
