Let It Rock (feat. Lil Wayne)

Kevin Rudolf

I see your dirty face High behind your collar What is done in vain Truth is hard to swallow So you pray to God To justify the way you live a lie Live a lie Live a lieAnd you take your time And you do your crime Well you made your bed I made mine Because when I arrive I, I bring the fire Make you come alive I can take you higher What the saints forgot I must now remind you Let It Rock Let It Rock Let It Rock(2: Kevin Rudolph) Now the son's disgrased He, who knew his father When he cursed his name Turned, and chased the dollar But it broke his heart So he stuck his middle finger To the world To the world To the world And you take your time And you stand in line Well you'll get what's yours I got mine(...) Just Let It Rock (Kevin Rudolph) I wish I could be As cool as you And I wish I could say

The things you do But I can't and I won't live a lie No not this time
