

# Follow Me

## Muse

When darkness falls  
And surrounds you  
When you fall down  
When you're scared  
And you're lost, be brave  
I'm coming to hold you now  
When all your strength has gone  
And you feel wrong  
Like your life has slipped away  
Follow me  
You can follow me  
And I will not desert you now  
When your fire's died out  
No one's there  
They have left you for dead Follow me  
You can follow me  
I will keep you safe  
Follow me  
You can follow me  
I will protect you I won't let them hurt  
They're hurting you, no  
Ooh yeah  
When your heart is breaking  
You can follow me  
You can follow me  
I will always keep you safe  
Follow me  
You can trust in me  
I will always protect you, my love  
Feel my love  
Feel my love
