

# Weight in Gold (Brasstracks Remix)

## Gallant

Black dust in orbit, cascades down like a parachute  
Bricks on my shoulders, this gravity hurts when you know the truth I'm pulling my weight in  
gold

Call me anxious, call me broke  
But I can't lift this on my own  
Pulling my weight in gold  
Call me anxious, call me broke  
But I can't lift this on my own I'm pulling my weight in gold  
Call me anxious, call me broke  
But I can't lift this on my own  
Pulling my weight in gold  
Call me anxious, call me broke  
But I can't lift this on my own

We dreamt like martyrs, I never thought I was bold enough  
You pushed me further, and I take the blame for the both of us I'm pulling my weight in gold

Call me anxious, call me broke  
But I can't lift this on my own  
Pulling my weight in gold  
Call me anxious, call me broke  
But I can't lift this on my own Oh, Universe, hold me up  
You tried your best, is it ever enough  
When it's already dragging me down?  
I'm pulling my weight in gold  
Call me anxious, call me broke  
But I can't lift this on my own  
Pulling my weight in gold  
Call me anxious, call me broke  
But I can't lift this on my own
