## Arms

## **Christina Perri**

I never thought that you would be the one to hold my heart
But you came around and you knocked me off the ground from the startYou put your arms
around me

And I believe that it's easier for you to let me go You put your arms around me and I'm homeHow many times will you let me change my mind and turn around

I can't decide if I'll let you save my life or if I'll drownI hope that you see right through my walls
I hope that you catch me, 'cause I'm already falling

I'll never let a love get so close

You put your arms around me and I'm home

The world is coming down on me and I can't find a reason to be loved

I never wanna leave you but I can't make you bleed if I'm alone You put your arms around me And I believe that it's easier for you to let me goI hope that you see right through my walls

I hope that you catch me, 'cause I'm already falling

I'll never let a love get so close
You put your arms around me and I'm home
I tried my best to never let you in to see the truth

And I've never opened up

I've never truly loved 'Till you put your arms around me
And I believe that it's easier for you to let me go
I hope that you see right through my walls
I hope that you catch me, 'cause I'm already falling
I'll never let a love get so close
You put your arms around me and I'm home

You put your arms around me and I'm home
