With Or Without You

U2

See the stone set in your eyes See the thorn twist in your side I wait for youSleight of hand and twist of fate On a bed of nails she makes me wait And I wait without youWith or without you With or without youThrough the storm we reach the shore You give it all but I want more And I'm waiting for you With or without you With or without you I can't liveWith or without you And you give yourself away And you give yourself away And you give And you give And you give yourself away My hands are tiedMy body bruised, she's got me with Nothing to win and Nothing left to lose And you give yourself away And you give yourself away And you give And you give And you give yourself away With or without you With or without you I can't live With or without you With or without you With or without you I can't live With or without you
