

Bad Dreams

Busta Rhymes

You look so beautiful
No one but me knows you're insane
I feel so damn pathetic
My friends just don't get it
Cause you've got me under oath
Before you I was in a fucking rut
One day you're in the past
That night I ask you back
It started out just harmless fun
Now you've got me thinking you're the one
Cause if you wanna take me home You know I'm ready to leave
You've got me under your spell
Please don't set me free
Cause I've been having all these nightmares
Seeing you is my only way up
Feeling so defenseless
But I'm telling you
I wouldn't change a thing You've got me feeling strange
Cause I love to hate you so damn much
But I can't think of leaving
Cause you're what keeps me breathing
It started out just harmless fun
Now you've got me thinking you're the one
Cause if you wanna take me home
You know I'm ready to leave
You've got me under your spell
Please don't set me free
Cause I've been having all these nightmares
Seeing you is my only way up
Feeling so defenseless
But I'm telling you I wouldn't change a thing
Cause if you wanna take me home
You know I'm ready to leave
You've got me under your spell
Please don't set me free
Cause if you wanna take me home
You know I'm ready to leave
You've got me under your spell
Please don't set me free
Cause I've been having all these nightmares
Seeing you is my only way up
Feeling so defenseless

But I'm telling you
I wouldn't change a thing
