

Not Giving In (feat. John Newman & Alex Clare)

Rudimental

Well, it's time to start the show
Lost my heart and lost my soul.
Now it's the time that you won't know
Lost my mind and lost my goal. Mm, not giving in.
I'm not giving in
Not giving in
Ooh I'm not giving in, yeah. Ooohhh, oohh, oohhh... This time, I'm gonna be stronger I'm not
giving in
This time, I'm gonna be stronger, no, I'm not giving in. Waste my time which makes things
worse
Lost in mine, my love is cursed.
Mm, time to make these things feel right
Mmm, let's start this show for one last time.
Oh, I'm not giving in
(Not giving in)
Not giving in
Let me tell you no, not giving in
Not this time
(Not giving in)
Not gonna give it in.
Oh! Oooooooh, Ooohhh... This time, I'm gonna be stronger I'm not giving in This time, I'm
gonna be stronger, no, I'm not giving in.
Nooo Not giving in
Not giving in
(This time, I'm gonna be stronger I'm not giving in)
I'm gonna be stronger
(This time, I'm gonna be stronger I'm not giving in)
I'm gonna be stronger
This time, I'm gonna be stronger I'm not giving in
This time, I'm gonna be stronger I'm not giving in
This time, I'm gonna be stronger I'm not giving in
This time, I'm gonna be stronger I'm not giving in
Wooh
This time, I'm gonna be stronger I'm not giving in
This time, I'm gonna be stronger I'm not giving in
I'm gonna be stronger
This time, I'm gonna be stronger I'm not giving in
This time, I'm gonna be stronger I'm not giving in
This time, I'm gonna be stronger I'm not giving in
This time, I'm gonna be stronger I'm not giving in

No, Not giving in
Ooohhh, oohh, ooohhh.
