I Almost Do

Taylor Swift

I bet, this time of night you're still up I bet, you're tired from a long, hard week I bet, you're sitting in your chair by the window, looking out at the city And I bet, sometimes you wonder about meAnd I just wanna tell you It takes everything in me not to call you And I wish I could run to you And I hope you know that Everytime I don't I almost do, I almost doI bet, you think I either moved on or hate you 'Cause each time you reach out there's no reply I bet it never, ever occurred to you that I can't say hello to you And risk another goodbye And I just wanna tell you It takes everything in me not to call you And I wish I could run to you And I hope you know that Everytime I don't I almost do, I almost doWe made quite a mess, babe It's probably better off this way And I confess, babe In my dreams you're touching my face And asking me if I want to try again with you And I almost doAnd I just wanna tell you It takes everything in me not to call you

And I wish I could run to you

And I hope you know that

Everytime I don't

I almost do, I almost do

I bet, this time of night you're still up

I bet, you're tired from a long, hard week

I bet, you're sitting in your chair by the window, looking out at the city

And I hope sometimes you wonder about me...
