

# Take You Out

Luther Vandross

Yeah yeah  
Here it is She caught me by surprised I must say  
Cause I never had seen such a pretty face  
With such a warm and beautiful smile  
It wasn't hard for me to notice her style  
I was fascinated surly  
She took my heart and held it for me  
I wouldn't let her get away  
Not until she heard me say Excuse me miss (YEH HH)  
But what's your name?  
Where are you from and can I come?  
And possibly can I take you out tonight?  
To a movie, to the park (YEH HH)  
I'll have you home before it's dark (WHOOOO)  
So let me know, can I take you out tonight?  
Don't care if I get rejected  
At least then I won't regret it  
Regret the fact I missed the chance for romance  
At least I'll walk away knowing  
I tried my best and I'm going  
I'm going on with my day  
Cause at least she heard me say Excuse me miss  
But what's your name?  
Where are you from and can I come? (CAN YOU!)  
And possibly can I take you out tonight?  
To a movie, to the park (YEH HH)  
I'll have you home before it's dark (WHOOOO)  
So let me know, can I take you out tonight?  
Excuse me miss  
But what's your name?  
(I want to know you, I think I can show you good love)  
Where are you from and can I come? (CAN YOU!)  
And possibly can I take you out tonight?  
To a movie, to the park (YEH HH)  
I'll have you home before it's dark (WHOOOO)  
So let me know, can I take you out tonight? Huh, that's why I had to come over  
And introduce myself to you  
Cause you never going to know where you're gonna find love  
And hopefully I found it in you, yeah Excuse me miss  
But what's your name?  
Where are you from and can I come?  
And possibly can I take you out tonight?

To a movie, to the park  
I'll have you home before it's dark  
Excuse me miss  
But what's your name?  
Where are you from and can I come?  
And possibly can I take you out tonight?  
To a movie, to the park  
I'll have you home before it's dark  
So let me know, can I take you out tonight?  
Let me make your house a home baby  
Excuse me miss  
But what's your name?  
Where are you from and can I come? (CAN YOU)  
And possibly can I take you out tonight?  
To a movie, to the park (YEHHHH)  
I'll have you home before it's dark (WOOOO)  
So let me know, can I take you out tonight?
