Back to December

Taylor Swift

I'm so glad you made time to see me How's life, tell me how's your family I haven't seen them in a while You've been good, busier then ever We small talk, work and the weather

Your guard is up and I know why'Cause the last time you saw me

Is still burned in the back of your mind

You gave me roses and I left them there to dieSo this is me swallowing my pride standing in front of you saying I'm sorry for that night

And I'd go back to December all the time

It turns out freedom ain't nothing but missing you wishing I'd realized what I had when you were mine

I'd go back to December, turn around and make it all right
I'd go back to December all the timeThese days I haven't been sleeping
Staying up playing back myself leaving
When your birthday passed and I didn't call
And I think about summer, all the beautiful times
I watched you laughing from the passenger side and
Realized I loved you in the fall

And then the cold came, the dark days when fear crept into my mindYou gave me all your love and all I gave you was goodbyeSo this is me swallowing my pride standing in front of you saying I'm sorry for that night

And I'd go back to December all the time

It turns out freedom ain't nothing but missing you wishing I'd realized what I had when you were mineI'd go back to December, turn around and change my own mind I'd go back to December all the timeI miss your tan skin, your sweet smile, so good to me, so

right

And how you held me in your arms that September night

The first time you ever saw me cry Maybe this is wishful thinking Probably mindless dreaming

If we loved again I swear I'd love you right I'd go back in time and change it but I can't

So if the chain is on your door, I understand

But this is me swallowing my pride standing in front of you saying I'm sorry for that night

And I'd go back to December

It turns out freedom ain't nothing but missing you wishing I'd realized what I had when you were mine

I'd go back to December, turn around and make it alright
I'd go back to December, turn around and change my own mind
I'd go back to December all the time
All the time
