

# You Never Know

Goldfrapp

How long now  
How long now I love you  
Steel painted eyes  
Feels like snow  
Change my head  
Days so long You never know  
You never know  
You never know You never know  
You never know  
You never know  
Just how long  
It will be  
Here we go again  
We're going round and round  
Here we go again  
We're going round and round Today I know  
It's too long dare we'll see  
Feels like snow  
Chained myself to me You never know  
You never know  
You never know You never know  
You never know  
You never know  
Just how long  
It will be  
Here we go again  
We're going round and round  
Here we go again  
We're going round and round How long now  
Longest story  
Long now How long now  
Longest story  
Long now Longest story  
Longest story How long now  
Longest story  
Long now  
Longest story  
Long now
