8701

Man, it's been a long time coming
(It's been a long time)
But I never forgot about you
Yeah, we've travelled the world
Seen a lot of places, so many faces
We had a good time
We've grown together
Who would have thought we'd stay this long
This is my chance to share my world with you
And I know you gonna like it
Are you ready
(are you ready) x3
Look how far we've come
You're still here
This is us
These are my confessions
Still going strong
Yeah man
Let it go...
