Ciara

Turn me up  
Bang that disc  
Bang the best  
Yeah, sho nuff  
C-I-A-R-A, let's go(verse 1)  
Oh, I'm so glad you came  
Cause you are the cutest thang  
Beauty should be your name  
And I should be your lady, baby  
Tell me where you been all my life  
Cause you so sexy, and I  
Like to make you the one  
Baby, here's my number  
(hook)  
Call me up hotline  
I got some conversation  
I can be your operator  
Baby, you should call me later  
Cause you are so fine  
I hope that you not playin'  
Cause I'm lovin' what you sayin'  
Baby don't you keep me waitin'  
Call me up hotline  
You are so fine  
You so fine  
I can be your operator  
Call me up hotline  
You are so fine  
You so fine  
Don't you keep me waitin'  
(Listen) Call me up  
(verse 2)  
Don't tell me anything  
Keep it real wit me  
You say you single, and you ready to mingle  
You sayin' the right things (baby)  
Man I want you so bad  
Gotta make you my man  
You what I need in my life Baby there's no time to waste  
I said all I wanna say  
You know that I'm feelin' you  
I'm know that your feelin' me

Page me 911, I'll stop  
Anything for you and I  
Be there when you need me, baby  
Anytime you need me (hook)

I can be your operator  
Baby you should call me later  
Cause you are so fine
