

People Like Us

Kelly Clarkson

We come into this world unknown
But know that we are not alone
They try and knock us down
But change is coming, it's our time now Hey... everybody loses it
Everybody wants to throw it all away sometimes
And hey... yeah I know what you're going through Don't let it get the best of you, you'll make it
out alive
Ohh

People like us we've gotta stick together
Keep your head up, nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottom
Oh woah oh oh woah oh

We are all misfits living in a world on fire
Oh woah oh oh woah oh

Sing it for the people like us, the people like us
Hey, this is not a funeral
It's a revolution, after all your tears have turned to rage
Just wait, everything will be okay Even when you're feeling like it's going down in flames Ohh

People like us we've gotta stick together
Keep your head up nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottom
Oh woah oh oh woah oh

We are all misfits living in a world on fire
Oh woah oh oh woah oh

Sing it for the people like us, the people like us
Oh woah oh oh woah oh You've just gotta turn it up loud when the flames get higher
Oh woah oh oh woah oh

Sing it for the people like us, the people like us They can't do nothing to you, they can't do
nothing to me
This is the life that we choose, this is the life that we bleed So throw your fists in the air, come
out, come out if you dare
Tonight we're gonna change forever
Everybody loses it, everybody wants to throw it all away sometimes
Ohh

People like us we've gotta stick together
Keep your head up nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottom
Oh woah oh oh woah oh

We are all misfits living in a world on fire

Oh woah oh oh woah oh
Sing it for the people like us, the people like us
Oh woah oh oh woah oh
You've just got to turn it up loud when the flames get higher Oh woah oh oh woah oh
Sing it for the people like us, the people like us
Oh woah oh oh woah oh
We're all misfits living in a world on fire
Oh woah oh oh woah oh
Sing it for the people like us, the people like us
Oh woah oh oh woah oh
You've just got to turn it up loud when the flames get higher
Oh woah oh oh woah oh
Sing it for the people like us, the people like us
