

Lane Boy

twenty one pilots

They say "stay in your lane boy, lane boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow? They think this thing is a highway
If it was a highway
We'd have a tempo change every other time change
Cause our minds change on what we think is good
I wasn't raised in the hood
But I know a thing or two about pain and darkness
If it wasn't for this music, I don't know how I would've fought this
Regardless, all these songs I'm hearing are so heartless
Don't trust a perfect person and don't trust a song that's flawless
Honest, there's a few songs on this record that feel common
I'm in constant confrontation with what I want and what is poppin'
In the industry it seems to me that singles on the radio are currency
My creativity is on the free when I'm playin' shows
They say "stay in your lane boy, lane boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow?
Will they be alive tomorrow? I'm sorry if that question I asked last
Scared you a bit like a hazmat, in a gas mask
If you ask Zack, he's my brother, he likes when I rap fast
But let's back track, back to this
Who would you live and die for on that list
But the problem is
There's another list that exist and no one really wants to think about this
Forget sanity, forget salary, forget vanity, my morality
If you get in between someone I love and me
You're gonna feel the heat of my calvary All these songs I'm hearing are so heartless
Don't trust a perfect person and don't trust a song that's flawless
They say "stay in your lane boy, lane boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow?
They say "stay in your lane boy, lane boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow? Will they be alive tomorrow?
(Will they be alive tomorrow?)
(Will they be alive tomorrow?)
Will they be alive tomorrow? They say "stay in your lane boy, lane boy"

But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow?
They say "stay in your lane boy, lane boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow?
