

Silhouette

Owl City

I'm tired of waking up in tears
'Cause I can't put to bed these phobias and fears
I'm new to this grief I can't explain
But I'm no stranger to the heartache and the pain
The fire I began is burning me alive
But I know better than to leave and let it die
I'm a silhouette asking every now and then
"Is it over yet? Will I ever feel again?"
I'm a silhouette chasing rainbows on my own
But the more I try to move on, the more I feel
alone
So I watch the summer stars to lead me home
I'm sick of the past I can't erase
A jumble of footprints and hasty steps I can't retrace
The mountain of things I still regret
Is a vile reminder that I would rather just forget (no matter where I go)
The fire I began is burning me alive
But I know better than to leave and let it die
I'm a silhouette asking every now and then (now and then)
"Is it over yet? Will I ever smile again?"
I'm a silhouette chasing rainbows on my own
But the more I try to move on, the more I feel alone
So I watch the summer stars to lead me home
'Cause I walk alone
No matter where I go
'Cause I walk alone
No matter where I go
'Cause I walk alone
No matter where I go
I'm a silhouette asking every now and then (now and then)
"Is it over yet? Will I ever love again?"
I'm a silhouette chasing rainbows on my own
But the more I try to move on, the more I feel alone
So I watch the summer stars to lead me home
I watch the summer stars to lead me home.
