

# Before She Does

Eric Church

I believe that gas is too damn high  
An' there ain't nothin' more American  
Than Mama's apple pie  
I believe in love; I believe in peace  
But I don't believe we'll ever see it  
In that Middle East  
I believe the Bible is cold, hard fact  
An' I believe that Jesus is comin' back  
Before she does I believe the Sabbath is a day of rest  
The taxman an' the Devil share the same address  
I believe don't start if you're gonna quit  
I believe in keep your mouth shut  
An' carry a big stick  
I believe that dogs are better than cats  
An' I believe that Jesus is comin' back  
Before she does  
There's absolutely, positively  
No doubt in my mind  
That OJ did it; Lee Harvey didn't  
An' she's really gone this time I believe that cold, cold beer  
Tastes better on a bar stool  
Than it does anywhere  
I believe hard work really makes the man  
But everyone should wet a line every now an' then  
I believe it's best to pay in cash  
An' I believe that Jesus is comin' back  
Before she does There's absolutely, positively  
No doubt in my mind  
That OJ did it; Lee Harvey didn't  
An' she's really gone this time  
I believe she was a real good thing  
Can you believe I let a girl like her get away?  
I believe she meant it the night she packed  
An' said Jesus is comin' back before she does Before she does
