

# Acapella (feat. Frankie J & Fito Blanco)

Mikolas Josef

I wasn't thinking of falling in love until I met you,  
I would give everything to conquer you, I learn Spanish for you.  
To show that I love you (I love you),  
I would give you Heaven (Heaven),  
I would scream at the five winds (oh, oh)  
All I feel for you, oh yeah...A little bit of you, a little bit of me  
Dancing very close, like this.  
A little bit of me, a little bit of you  
(Hey, burn it up!) So...  
Hello Bella  
It's like I knew you forever  
Hard to keep it all together  
I'm so into you Bella  
I can sing it in acapella  
Uh na na, uh na na  
I can sing it in acapella  
Uh na na, uh na na How can I tell you that I love you without wordy?  
Just a wiggle, just a wiggle  
So you don't forget the words of Jandeo.  
That's why I say you "hello", tell me now your "hello"!  
You're very beautiful to be dancing alone.  
And now, they told me now  
That single women are fashionable  
But with me you fall in love,  
(Burn it up!)  
A little bit of you, a little bit of me  
Dancing very close, like this.  
A little bit of me, a little bit of you  
So...Hello Bella  
It's like I knew you forever  
Hard to keep it all together  
I'm so into you Bella  
I can sing it in acapella  
Uh na na, uh na na  
I can sing it in acapella (yeah, yeah)  
Uh na na, uh na na (Alright!) I don't know what happens when I'm with you baby  
But you awake my passion.  
Your eyes look at me, those arrows that you throw at me  
Reach my heart.  
It's your energy that drives me crazy  
And a love song is born,  
So beautiful as the stars,

I sing it all night long. A little bit of you, a little bit of me  
Dancing very close, like this.  
A little bit of me, a little bit of you  
So... (Two, Three..) Hello Bella  
It's like I knew you forever  
Hard to keep it all together  
I'm so into you Bella  
I can sing it in acapella  
Uh na na, uh na na  
I can sing it in acapella  
Uh na na, uh na na Hello Bella  
It's like I knew you forever  
Hard to keep it all together  
I'm so into you Bella  
I can sing it in acapella  
Uh na na, uh na na  
I can sing it in acapella  
Uh na na, uh na na
