

# My One and Only Love (feat. Paula Cole)

[Chris Botti](#)

The very thought of you makes my heart sing  
Like an april breeze on the wings of spring  
And you appear in all your splendour  
My one and only love. The shadows fall and spread their mystic charms  
In the hush of night while I'm in your arms  
I feel your lips so warm and tender  
My one and only love. The touch of your hand is like heaven  
A heaven that I've never known,  
The blush on your cheek whenever I speak  
Tells me that you are mine.  
You fill my eager heart with such desire  
Every kiss you bring sets my soul on fire  
I give myself in sweet surrender  
My one and only love
