Lean On Me

Nicholas David

Sometimes in our lives we all have pain

We all have sorrow

But if we are wise

We know that there's always tomorrowLean on me, when you're not strong

And I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean onPlease swallow your pride

If I have faith you need to borrow

For no one can fill those of your needs

That you won't let show

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem that you'll understand

We all need somebody to lean onLean on me, when you're not strong

And I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean on You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem that you'll understand

We all need somebody to lean on If there is a load you have to bear

That you can't carry

I'm right up the road

I'll share your load

If you just call me (call me)

If you need a friend (call me) call me uh huh(call me) if you need a friend (call me)

If you ever need a friend (call me)

Call me (call me) call me (call me) call me

(Call me) call me (call me) if you need a friend

(Call me) call me (call me) call me (call me) call me (call me) call me (call me)
