

# Nothing Would Be Better

Nick Jonas

Nothing is forever, nothing would be better  
Than the love you're giving me  
I just gotta have you  
Wish you didn't have to  
When you're gonna set me free  
Like it or not  
We were doomed from the start  
I know that you'll agree  
That nothing's forever, nothing would be better  
Better than you and me  
Than you and me  
(than you and...)  
I take the worst of what you got  
It hurts more than sticks and rocks  
You know I'll be there  
You know I'll be there  
And I would be your punching bag  
Throw it all and don't hold back  
Still I'll be there  
You know I'll be there  
Cause I used to live in fear, it was my home  
But there are harder things to be, than all alone  
You're the broken part of me that makes me whole  
So unsure  
Nothing is forever, nothing would be better  
Than the love you're giving me  
And I just gotta have you  
Wish you didn't have to win  
When you're gonna set me free  
Like it or not  
We were doomed from the start  
I know that you're clear  
That nothing is forever, nothing would be better  
Better than you and me  
Than you and me  
(than you and...) We don't turn around  
Unless we're throwing stones  
And we're crying like these cracks are in my bones  
You're the broken part of me that makes me whole  
So unsure  
Nothing is forever, nothing would be better  
Than the love you're giving me  
And I just gotta have you

Wish you didn't have to win  
When you're gonna set me free  
Like it or not  
We were doomed from the start  
I know that you'll agree  
That nothing is forever, nothing would be better  
Better than you and me
