

Writing On The Wall (feat. Post Malone, Cardi B &

French Montana

[Intro:]
Montana
Posty (Hahaha)
Okurr
(La-la-la-la, uuh)
Ayy, uh huh

[French Montana:]
From the block, now we're snipin' on the opps like Somalians (Uh-huh)
Egyptian cloth on my body, diamonds like 6ix9ine hair (Hair)
Now we comin' through the back, we don't go to the concierge (Yeah, hey-hey)
Now that boy run fashion, Cardi in that Fashion Nova gear (Ha)
We started the wave, now everybody lookin' the same
Tell me how you want it (Woah)
Shorty buss it down, give us the money, keep the crown
Tell me how you want it
I been around the globe in the Global Express
Ten O's in my net worth, yeah (Huh)
Neck work, then the leg work (Work)
We're the stars like the network (Work, Montana)

[Post Malone:]
You see the writing on the wall
Hold onto me and I'ma hold ya
You see the writing on the wall
I'll bring it back, bring it back, yeah

Got a lil' mama in my telephone, she jumpin' all up on me yo (Ayy)
Hoes all in my section, I don't want 'em, kick them bitches out like "Vamanos" (Ayy, ayy, ayy)
We can work it out, lil' mama, all we need is just a little cardio (Ayy)
Yeah, she the type of woman if we cannot do it, I will catch a body for (Ooh yeah, yeah)
Call my accountant, bought my bitch new Beamer, she whip 7-Series, yeah (Ooh yeah, yeah)
I spend whatever, girl, I do whatever to show you I'm serious (Ooh yeah, yeah)
That sound familiar, they just talkin' shit because they feel inferior
Ooh yeah, that's just how we go

You see the writing on the wall
Hold onto me and I'ma hold ya
You see the writing on the wall
I'll bring it back, bring it back, yeah

[French Montana:]
All the millions make 'em horny, Montana
Cardi we the hottest out the South Bronx, yeah
[Cardi B:]
Made me holla' for a dollar, got my makeup on your collar
You'll be callin' me tomorrow, yeah
[French Montana:]
And my diamonds like water, you'll be callin' me tomorrow
Then them dress gettin' shorter (Uh huh)
[Cardi B:]
Make you push a little harder, little faster, little deeper (Skrr skrr)
'Fore I promise I be keepin' ya
Said, "It's all about the level up", booty like a Jell-O Cup
Bitches hella jealous, wishin' it was them instead of us
I done got hot, dawg, realize she ain't catchin' up
Gucci, Fendi, Prada, Balenciaga, I got Margiela, ah
Standin' ovation, the broad of the nation
Me and babe racin' Wraiths, we're adjacent
Wish that we could take the rumors to the bank (To the bank)
We don't have no more room inside the safe (Woo, woo)
But I'ma ball it like a napkin, tap it like it's Jazz-feet
Hold the door for me, then pop me on the ass cheek
Ain't too rich to get it poppin' in the backseat
Next time you want another bitch, you better ask me, ah
Ike and Tina that ass, you better take a bitch you know
Show my name and this pass
And now we're rollin' down the freeway, talkin' 'bout a threeway
Startin' workin' out, but he gon' eat me on his cheat-day off

[Post Malone & Cardi B:]
You see the writing on the wall
Hold onto me and I'ma hold ya
You see the writing on the wall
I'll bring it back, bring it back, yeah

La-la-la, la-la-la
La-la-la (Okurr) ohh
La-la-la (What you want?), la-la-la
La-la-la, ohh
