

# Midnight Train

Sam Smith

I choose me, and I know that's selfish, love  
You are a dream, and I can't thank you enough  
But I give another piece of me away  
Every waking day that I'm with you  
Am I a monster? What will your family think of me?  
They brought me in, they helped me out with everything  
But I give a little piece of me away  
Every single day So I pick up the pieces, I get on the midnight train  
I got my reasons, but darling I can't explain  
I'll always love you  
But tonight's the night I choose to walk away  
Bah-bah, doo, bah-bah, doo  
Bah-bah, doo, bah-bah, doo Love you so much that I have to let you go  
I'll miss your touch and the secrets we both know  
But it would be wrong for me to stay  
And I'll just give you hope  
So I pick up the pieces, I get on the midnight train  
I got my reasons, but darling I can't explain  
I'll always love you  
But tonight's the night I choose to walk away  
I can't stop crying, I hate that I've caused you pain  
But I can't deny it, I just don't feel the same  
I'll always love you  
But tonight's the night I choose to walk away  
Bah-bah, doo, bah-bah, doo  
Bah-bah, doo, bah-bah, doo  
So I pick up the pieces, I get on the midnight train  
I got my reasons, but darling I can't explain  
I'll always love you  
But tonight's the night I choose to walk away
