

Never Have I Ever

Danielle Bradbery

Never have I ever been in love
Lookin' back it all feel like pretend
Honestly thought I knew what it was
But never have I ever
Never have I ever felt my heart
Feel calm and so excited at the same time
Thought you weren't real but here you are
But never have I ever felt like Ooh, ooh, yeah, yeah
Got me confessin' like this
Heart on the sleeve, I'm a mess
Got me like ooh, ooh, yeah, yeah
Throwing 'round words like forever
Never have I ever
Never have I ever lost my mind
Over someone simply sayin' my name
How did you make me the chasin' kind?
'Cause never have I ever
Believed that a fantasy (Believed that a fantasy)
Could be more than a dream (Could be more than a dream)
I'm gettin' caught up, sayin' too much
Look what you've done to me I'm like, ooh, ooh, yeah, yeah
Got me confessin' like this
Heart on the sleeve, I'm a mess
Got me like ooh, ooh, yeah, yeah
Throwing 'round words like forever
Never have I ever Ooh, ooh, yeah, yeah
Never have I ever
Ooh, ooh yeah, yeah
Been so over the moon
Love drunk stars in my eyes
Boy, it has to be you
But never have I ever Ooh, ooh, yeah, yeah
Got me confessin' like this
Heart on the sleeve, I'm a mess
Got me like ooh, ooh, yeah, yeah
Throwing 'round words like forever
Never have I ever Ooh, ooh, yeah, yeah
Never have I ever
Got me like ooh, ooh, yeah, yeah
Never, never have I ever
