Don't Wanna Try

Frankie J

i can't believe u had the nerve to say the things u said they hurt so bad that they ended our relationship i can't believe it .4 years gone down the drain oh how i wish things would of happened so differently i try'd to save it so many times but you still couldn't see u kept insistin' and resistin' that u would not fall again and now ur tryin' to tell me that ur sorry and ur tryin' to come back home ur tellin' me u really need me crying beggin both knees are on the floor but baby i

don't wanna try don't wanna try don't wanna try no more u keep insisting when u know our love is out the door don't wanna try don't wanna try cuz all we do is fight and say the things that hurt so bad to where we both begin to cry don't wanna try don't wanna try i 'bout just had enough its been a rough road baby just let it go

don't wanna try don't wanna try don't wanna try no more tell me whats the use of holdin' on when all we do is hurt our loveu and i had many conversations on the telephone

> talks about one day we having a place of our own wake up in the morning and have breakfast ready on the table but all of that just seems so far away from me had to wake up face reality

> it all just seem to good to be true after all you put me through and now ur tryin' to tell me that ur sorry and ur tryin' to come back home

u tellin' me that u really need me crying beggin both knees are on the floor but baby i

don't wanna try dont wanna try dont wanna try no more u keep insisting when u know our love is out the door don't wanna try dont wanna try cuz all we do is fight and say the things that hurt so bad to where we both begin to cry dont wanna try don't wanna try i bout just had enough its been a rough road baby just let it go

don't wanna try don't wanna try don't wanna try no more tell me whats the use of holdin' on when all we do is hurt our love(don't wanna try don't wanna try)

(don't wanna try no more)

(don't wanna try don't wanna try.oo)(don't wanna try don't wanna try) (don't wanna try no more)
