

# Run

## Collective Soul

Are these times contagious?  
I've never been this bored before  
Is this the prize I've waited for?  
Now, with the hours passing  
Theres nothing left here to mature  
I long to find a messengerHave I got a long way to run?  
Have I got a long way to run?  
Yeah, I runIs there a cure among us  
From this processed sanity?  
I weaken with each voice that sings  
Now, in this world of purchase  
I'm going to buy back memories  
To awaken some old qualitiesHave I got a long way to run?  
Have I got a long way to run?  
Yeah, I run  
Yeah, I run  
Have I got a long way?  
Have I got a long way?  
Have I got a long way to run?  
Have I got a long way to run?  
Yeah, I run  
(have I got a long way to run?)  
Yeah, I run  
(have I got a long way to run?)  
Yeah, I run  
(have I got a long way to run?)  
Yeah, I run  
(have I got a long way to run?)
