Twisted

Carrie Underwood

Baby you're a wrecking ball Crashing into me Nothing I can do but fall Piece by piece

You broke down every part of me That ever thought I'd never need you, babyIt's twisted, messed up

And the more I think about it

It's crazy, but so what

I may never understand it

I'm caught up and I'm hanging on

I'm gonna love you even if it's wrong

Everybody's telling me

I'm over my head

If they don't feel you loving me

They all say that I've gone crazy

Maybe, but it's too late now to save

I'm too tangledIt's twisted, messed up

And the more I think about it

It's crazy, but so what

I may never understand it

I'm caught up and I'm hanging on

I'm gonna love you even if it's wrong

Even if it's twistedMaybe it's not right

But that's all right

Yeah, it's all right tonight

It's twisted, messed up

And the more I think about it

It's crazy, but so what

I may never understand it

It's twisted, messed up

And the more I think about it

It's crazy, but so what

I may never understand it

I'm caught up and I'm hanging on

I'm gonna love you even if it's wrong

Even if it's twistedEven it's just a little bit, just a little bit, just a little bit twisted

Yeah It's twisted

Yeah
