## You Mean the World to Me

## **Toni Braxton**

If you could give one good reason Why I should believe you Believe in all the thing that you tell I would sure like to believe you My heart wants to receive you Just make me know that you are sincere You know I'd love for you to lead me And follow through completely So won't you give me all I ask for And if you give your very best To bring me happiness I'll show you just how much I adore you Cause you mean the world to me You are my everything I swear the only thing that matters Matters to me Oh baby, baby, baby, baby Baby, cause you mean so much To meNow it's gonna take some workin' But I believe you're worth it Long as your intention are good So good There is just one way to show it And boy I hope you know it That no one could love you like I could Lord knows I want to trust you And always how I'd love you I'm not sure if love is enough And I will not be forsaken And I hope there's no mistakin' So tell me that you'll always be true Cause you mean the world to me You are my everything I swear the only thing that matters Matters to me Oh baby, baby, baby, baby Baby, cause you mean so much To meThere's a feeling in my heart That I know I can't escape So please don't let me fall Don't let it be too late There's a time when words are good

And they just get in the way
So show me how you feel
Baby I'm for real
Oh baby, baby, baby, babyCause you mean the world to me
You are every thing
I swear the only thing that matters
Matter to me
Oh baby, baby, baby, baby
Baby, cause you mean so much
To me
