

Paper Romance (feat. Fenech Soler & SaintSaviour)

Groove Armada

The taste that's in the air so sweet
Creatures they come alive
Confusion on the city streets
Our love electrified I feel your heat
I never wanna let you go
Horizons meet
I'm standing here to let you know Yeah you can write me a love letter
But there's nothing to say
I don't wanna take a chance on your paper romance anyway
Yeah you can blow me off much better
If you come my way
I don't wanna take a chance on your paper romance anyway My golden heart beats for two
My golden heart beats for you
I fear our pain
The time it takes
For us to change
It's gonna happen anyway I feel your heat
I never wanna let you go
Horizons meet
I'm standing here to let you know Yeah you can write me a love letter
But there's nothing to say
I don't wanna take a chance on your paper romance anyway
Yeah you can blow me off much better
If you come my way
I don't wanna take a chance on your paper romance anyway I feel your heat
