

Actin Crazy

Action Bronson

Yeah
Uh Opportunity be knocking
Let a motherfucker in
Opportunity be knocking, you gotta let a motherfucker in
I kiss my mother on the cheek, tell her that I love her
You ain't gotta worry 'bout a 'ting, I got it covered
Why you think I'm out here actin' crazy?
Why you think I'm out here actin' crazy?
Why you think I'm out here actin' crazy?
Ma, you know I'm still you little baby
All my life I was a fuck-up, Now I pull the truck up
Same bitch stuck up, now she wanna suck us
See me hanging out the window screaming "What what!?"
No more tough luck; a different cloth is what
I'm cut from, baby oh my lord
The cops chasing Bronson in an all-white Ford
Shit, I'm on an all-night tour
Bitch, I'm alright, but I'm off that raw
I'm in a robe dancing salsa on the top floor
You would swear I'm Puerto Rican but I'm not, lord
Hot hoes every city that we go, singing
"Heads high, kill 'em with it now!"
All I do is eat oysters
And speak six languages in three voices
It's Adriatic Summers on the samples
Don't even try to call him, not available for nothing
Unless it's stupid paper, hop out the Studebaker With Anita Baker, uh Opportunity be
knockin' Ya gotta let a motherfucker in I kiss my mother on the cheek, tell her that I love her You
ain't gotta worry 'bout a thing, I got it covered Why you think I'm out here actin' crazy? Why you
think I'm out here actin' crazy?
Why you think I'm out here actin' crazy?
Ma, you know I'm still you little baby
I feel so alive I think I shit myself
I should kiss myself, I'm staring at the man inside the mirror
The reflection shows a wolf though
Goddamn, I'm still cute ho
All my women play the flute, saw me place a melon and prosciutt'
Left handed, make the Fender cry
Count money with a reverend's smile, the Devil's eye
Half-Cherokee and Gemini, uh
Motherfuckers are Dumb Pete from Jump Street
I'll turn your chest plate to lunch meat

I'm in a Humvee, looking like a young me
Now these motherfuckers all wanna be chubby
I switch the season, now the hair's curled
Tan skin, I need a bad girl
Cause James Brown said "It's a man's world"
In a Transam' Twirl, the burner handle made of pearl
That's just "Daddy's Little Girl"
Opportunity be knocking
You gotta let a motherfucker in
I kiss my mother on the cheek, tell her that I love her
You ain't gotta worry 'bout a thing, I got it covered
Why you think I'm out here actin' crazy?
Why you think I'm out here actin' crazy?
Why you think I'm out here actin' crazy? (Ah)
Ma, you know I'm still your lil baby
Opportunity be knocking (knockin')
U gotta let a motherfucker in (Let that bitch in, son)
'Pportunity be knockin' (Uh)
Let-let the-the motherfucker in (Let a motherfucker in)
Uh.
Jace
