## We Got the Party

## Hannah Montana

Come on, guys
Tell me what we're doing
We're hanging 'round when we could be all over the place
The sun is shining just the way we like it
Let's get outta this hallway
Show the world our faceIt's Friday but there's nowhere to go

Anywhere is cool, but we're not going home

And we can do anything we wanna do

It's all up to me and youTurn this park into a club

The stars are lights and the moon is a vibe from above

Skateboard here's our ride

So pull on up, everyone is waiting for us

Anywhere we are, anywhere we go

Everybody knows

We got the party with us

Anywhere we are, anywhere we go

Everybody knows

We got the party with us

We got the party with us

We got the party with usRadio, let me be a DJ I'll turn you up, keep us moving 'til we're on a roll

Everyone is dancing to their own beat

And letting go, everybody here's got a soulIt's Friday and there's nowhere to be We're kicking it together, it's so good to be free

We got each other and that's all we need

The rest is up to you and me

Turn this park into a club

The stars are lights and the moon is a vibe from above

Skateboard here's our ride

So pull on up, everyone is waiting for usAnywhere we are, anywhere we go

Everybody knows

We got the party with us

Anywhere we are, anywhere we go

Everybody knows

We got the party with us

We got the party with us

Whoo!

We got the party, we got the partyLife is for dreamers

And I'm a believer

That nothing can stand in our way today

Let's find a place to play

Yeah!Turn this park into a club

The stars are lights and the moon is a vibe from above
Skateboard here's our ride
So pull on up, everyone is waiting for usAnywhere we are, anywhere we go
Everybody knows

We got the party with us Anywhere we are, anywhere we go

Everybody knows

We got the party with usTurn this park into a club The stars are lights and the moon is a vibe from above Skateboard here's our ride

So pull on up, everyone is waiting for usAnywhere we are, anywhere we go

Everybody knows We got the party with us!

Anywhere we are, anywhere we go

Everybody knows

We got the party, we got the party
We got the party, we got the party with us
We got the party with us
