

# Heart Full of Soul

Chris Isaak

Sick at heart and lonely, deep in dark despair.  
When you want her only, tell me where is she where?  
And if she says to you, that she don't love me.  
Just give her my message, tell her of my plea. And I know, if I could have her back again, I  
would never make her sad.  
I got a heart full of soul. I got a heart full of soul.  
She's been gone such a long time, longer than I can bear.  
But if she says she wants me, tell her I'll be there. (Guitar Solo) And I know, if I could have her  
back again, I would never make her sad.  
I got a heart full of soul. I got a heart full of soul.  
Sick at heart and lonely, deep in dark despair.  
When you want her only, tell me where is she where?  
And if she says to you, that she don't love me.  
Just give her my message, tell her of my plea.  
And I know, if I could have her back again, I would never make her sad.  
I got a heart full of soul. I got a heart full of soul.  
I got a heart full of soul!
