

Trust and Believe

[Keyshia Cole](#)

When we were together, I held you down

...

I gave you all of me, but look at us now

...Thinking of all your excuses, but they don't add up

...

Now it's so easy to see you don't deserve my love

...

You pushed me far
you brought me to this You had my heart
but then you blew it
And I'm so over you, go get lost

...

Boy who do you think that you are?
Trust and believe me

...

you're gonna need me
Trust and believe me
she'll never be me
And I'm so over you
Go get lost

Boy I don't know who you think that you are
You look so foolish
...With my best friend
And she ain't no better than you
She's a 3, Im a ten

...

So why are you calling my phone?
You aint got nothing I want
Thought we were really in love
But that was all a front

You pushed me far
you brought me to it
You had my heart
but then you blew it Ohh! And I'm so over you
go get lost

Boy who do you think that you are? Trust and believe me, you're gonna need me

...

Trust and believe me, she'll never be me

...

And I'm so over you
Go get lost

Boy I don't know Who you think that you are How did you try to clean it up?

...
Boy please just stop it now
Don't make a sound

...
Cause you pushed me far
you brought me to this
You had my heart
but then you blew it
Woah.I'm so over you, so get lost

...
Boy who do you.
Who you think you are?
Believe me, you're gonna need me

...
(you're gonna need me)
Trust and believe me
(believe me)
She'll never be me
And I'm so over you
Go get lost
Boy I don't know Who you think you are
I'm so over you
Go get lost
Who do you think that you are?
