

# The Ballad of John Henry

Joe Bonamassa

Who killed John Henry, In the battle of sinners and saints  
Who killed John Henry, In the battle of sinners and saints Take this hammer carry it to the  
Captain, Tell him why i'm gone  
Take this hammer carry it to the Captain, Tell him i'm goin' home I don't want your cold iron  
shackles around my leg  
I don't want your cold iron shackles around my leg Who killed John Henry, In the battle of  
sinners and saints  
Who killed John Henry, In the battle of sinners and saints I'm a long way from Colorado, A long  
way from my home  
... Get the hammer that killed John Henry, Won't kill me no more  
Gimme the hammer that killed John Henry, Cos it won't kill me  
Gimme the hammer that killed John Henry, Cos it won't kill me  
Who killed John Henry, In the battle of sinners and saints  
Who killed John Henry, In the battle of sinners and saints Take this hammer carry it to the  
Captain, Tell him i'm goin' home  
Take this hammer carry it to the Captain, Tell him why i'm gone  
I'm a wanted man with the Captain  
I'm a wanted man in the shackles  
I'm a wanted man in the shackles  
I'm a wanted man ...  
Who killed John Henry, In the battle of sinners and saints  
Who killed John Henry, In the battle of sinners and saints  
Ohhhh Ohhhhhhhh I killed John Henry, In the battle of sinners and saints  
Ohhhh Ohhhhhhhhhh
