

# Shadow of a Doubt

## Sonic Youth

Met a stranger on a train  
he bumped right into me  
I swear I didn't mean it  
I swear it wasn't meant to be  
must a been a dream  
from a thousand years ago  
I swear I didn't mean it  
I swear it wasn't meant to be  
from the bottom of my heart  
he was looking all over me  
together everafter  
he said  
"You take me & I'll be you"  
"You kill him & I'll kill her"  
kiss me  
I swear it wasn't meant to be  
I swear I didn't mean it  
kiss me  
kiss me in the shadow of  
kiss me in the shadow of a doubt  
kiss me  
kiss me in the shadow  
kiss me in the shadow of a doubt  
it's just a dream  
it's just a dream i had  
nononoooooh  
swear it's just a dream  
just a dream  
dream i've had  
no  
no  
no  
no  
take me to it  
take me to her  
maybe  
maybe it's just a dream  
it's a dream  
it's just a  
just a  
no  
met a stranger on a train

bumped right into me  
swear i didn't mean it  
swear it wasn't meant to be  
must've been a dream  
from a thousand years ago  
kiss me  
kiss me in the shadow of a doubt  
kiss me
