Shadow of a Doubt

Sonic Youth

```
Met a stranger on a train
    he bumped right into me
    I swear I didn't mean it
  I swear it wasn't meant to be
      must a been a dream
   from a thousand years ago
    I swear I didn't mean it
  I swear it wasn't meant to be
  from the bottom of my heart
  he was looking all over me
       together everafter
            he said
  "You take me & I'll be you"
  "You kill him & I'll kill her"
            kiss me
  I swear it wasn't meant to be
    I swear I didn't mean it
            kiss me
    kiss me in the shadow of
kiss me in the shadow of a doubt
            kiss me
     kiss me in the shadow
kiss me in the shadow of a doubt
        it's just a dream
     it's just a dream i had
         nononooooh
     swear it's just a dream
          just a dream
         dream i've had

               no
               no
               no
          take me to it
         take me to her
             maybe
     maybe it's just a dream
          it's a dream
