

# James Joint

[Rihanna](#)

I'd rather be smoking weed whenever we breathe  
Everytime you kiss me  
Don't say that you miss me  
Just come get me Don't know why, just know I want to  
Don't know why, just know I want you I'd rather be breaking things 'cause we can't see  
We're too busy kissing  
Just making scenes, here come the police  
They know about your history  
How you live and love like "fuck rules"?  
Don't care why, just know I love you
