

Hazy (feat. William Fitzsimmons)

[Rosi Golan](#)

I watched you sleepin' quietly in my bed
You don't know this now but
There's somethings that need to be said
And it's all that I can hear
It's more than I can bear What if I fall and hurt myself
Would you know how to fix me?
What if I went and lost myself
Would you know where to find me?
If forgot who I am
Would you please remind me?
Oh, cause without you things go hazy.
(Ah's) I watched you sleepin' quietly in my bed
You don't know this now but
There's somethings that need to be said
It's all that I can hear
It's more than I can bear What if I fall and hurt myself
Would you know how to fix me?
What if I went and lost myself
Would you know where to find me?
If I forgot who I am
Would you please remind me?
Oh, cause without you things go hazy. (Ah's)
What if I fall and hurt myself
Would you know how to fix me?
What if went and lost myself
Would you know where to find me?
If I forgot who I am
Would you please remind me?
Oh, cause without you things go hazy.
